

INDIVIDUAL CAMP OPERATIONAL GUIDELINES

6411

(No.21 May 2016)

Responsibility

All

Each conservation camp shall develop a Local Camp Operations Guideline that specifies methods for implementing departmental policies and for internal operation of the camp. The Guideline will contain Operational Guidelines for all aspects of operation of the camp. The guidelines will follow the format included in Exhibit 6411, [Operational Guidelines](#).

All local camp operational guidelines will be routed to each camp staff person for review and initial. Local guidelines, which are sensitive to camp security, shall be marked confidential and will be maintained in an area secure from offenders.
